MEMORANDUM FOR: Project Director

THROUGH   : Project Director of Administration

SUBJECT   : Request to Brief [   ] Security Officers in Western and Southern Europe

      1. The Director of Security, in an effort to strengthen the support facilities available to the Project Staff, has requested briefing of Senior Security Officers in [   ]

      2. This action would place, at the disposal of our present Security staff, numerous qualified contacts and sources of information which could be utilized during operations from selected staging area. Further, these senior officers will be in a position to monitor present Agency facilities for information having to do with penetration attempts on the part of the opposition and possible leakage of Project information within Agency channels.

      3. I wish to note also, that currently, these senior officers have various Office of Communications personnel in their respective areas of jurisdiction who do not have Project security representation available for their support.

      4. This would further be true of Project Staff personnel on TDY status since travel in these alien areas will be increasingly heavy as operations progress and other bases are established.

      5. The specific personalities for whom briefing is desired are [   ] Senior Security Officer, [   ] his Deputy, [   ] Security Officer
